TELEGRAPH

COMPANY.

A new enterprise, to be known as the Naional Telegraph Company, has been organrecent act of Congress for the purpose of establishing Trunk Lines of Telegraphs on all the rincipal railroads and mail routes in the United States. The stock is to be maned upon the same principle as that of the Merchant's Union Express Company, which recently comenced operations. The design is to interest the entire business community in the enterprise. This is done, not, so much to dispose of the stock as it is to secure the business of the country through which the lines pass.

\$10,000,000, In 100,000 Shares, of the par value of

\$100 PER SHARE,

But the actual amount to be paid in cash I

\$35 Per Share,

ALBANY, NEW YORK, And this amount is to be paid as follows: One per cent, of the par at the time of subscrit and no more, until the cuttre capital has been ubscribed, and then on calls to be made by the Board of Directors; Instalments not to exceed five per cent. per month. When thirty-five per cent of the par value of the shares has seen paid, certificates of stock will be imued This will give the company a paid up

Which will be sufficient to duplicate lines to ngersoil's Patent Portable Hay and Cotton all or nearly all the paying points reached by the present monopoly The present Telegraph Compa try have been consolidated into one huge monopoly, and are now earning over SIX MILLIONS OF DOLLARS per year, or over one hundred per cent, on the actual cost of their lines, their present capital having been watered over ONE THOUSAND per cent THE NATIONAL TELEGRAPH COMPANY have a recognition from the United States Government of the Importance of their enterprise, with a grant of the most valuable franchises ever conferred upon a telegraph company. No competing line has ever had the right now granted by Congress to this company construct and operate lines over every S. S. LLOYD. E. M. CLARKE. C. B. CLARGE. SAILROAD and MAIL ROUTE in the United States. The position of this company differs from that of any company ever before or leed. The question of the BIGHT OF WAY IS

any transfer of the franchises granted.

The stockhelders of this company cannot be

old out or TRANSFERRED to any other

company. The act of Congress under which

this company has been organized, prohibits

FOREVER SETTLED.

CALLS---HOW TO BE MADE. One per cent, of the Stock will be required on subscribing, and subsequent calls, not to excoed five per cent, per month, will be made by he Hoard of Directors, from time to time, as may be necessary, to supply funds to construct and equip the lines; but no calls will be made after the one per cent is paid, until the EN-TIRE CAPITAL STOCK shall have been sub-

The Company confidently believe that thirtyfive per cent, of the Capital Stock will construct and fully equip 25,000 MILES OF WIRE,
